

Frequent contacts with key tourism organizations by nation/territory (incl. historical contacts, incl. former states) and with international tourism organizations and associations

Related contact details and websites of the following and other tourism organizations, associations, and companies you will find with www.WorldTourismDirectory.com

Additionally - after 30 years of research and publishing - we had and have numerous contacts with several thousand of other government agencies (embassies, consulates, ministries of information, ministries of foreign affairs, chambers of commerce, chambers of tourism, tourism industry associations, tour operator associations, travel agency associations, related tourism industry media, airline companies, especially with tourism companies of the private sector), not to forget lot of former official contacts around the globe meanwhile changed into private contacts and some individuals even developed into valuable and trustful friendships...
